

**Research Activity Ranking: Civil and Environmental
Engineering Programs**
Bar shows the 5th percentile to 95th percentile range
Programs listed by average of the range

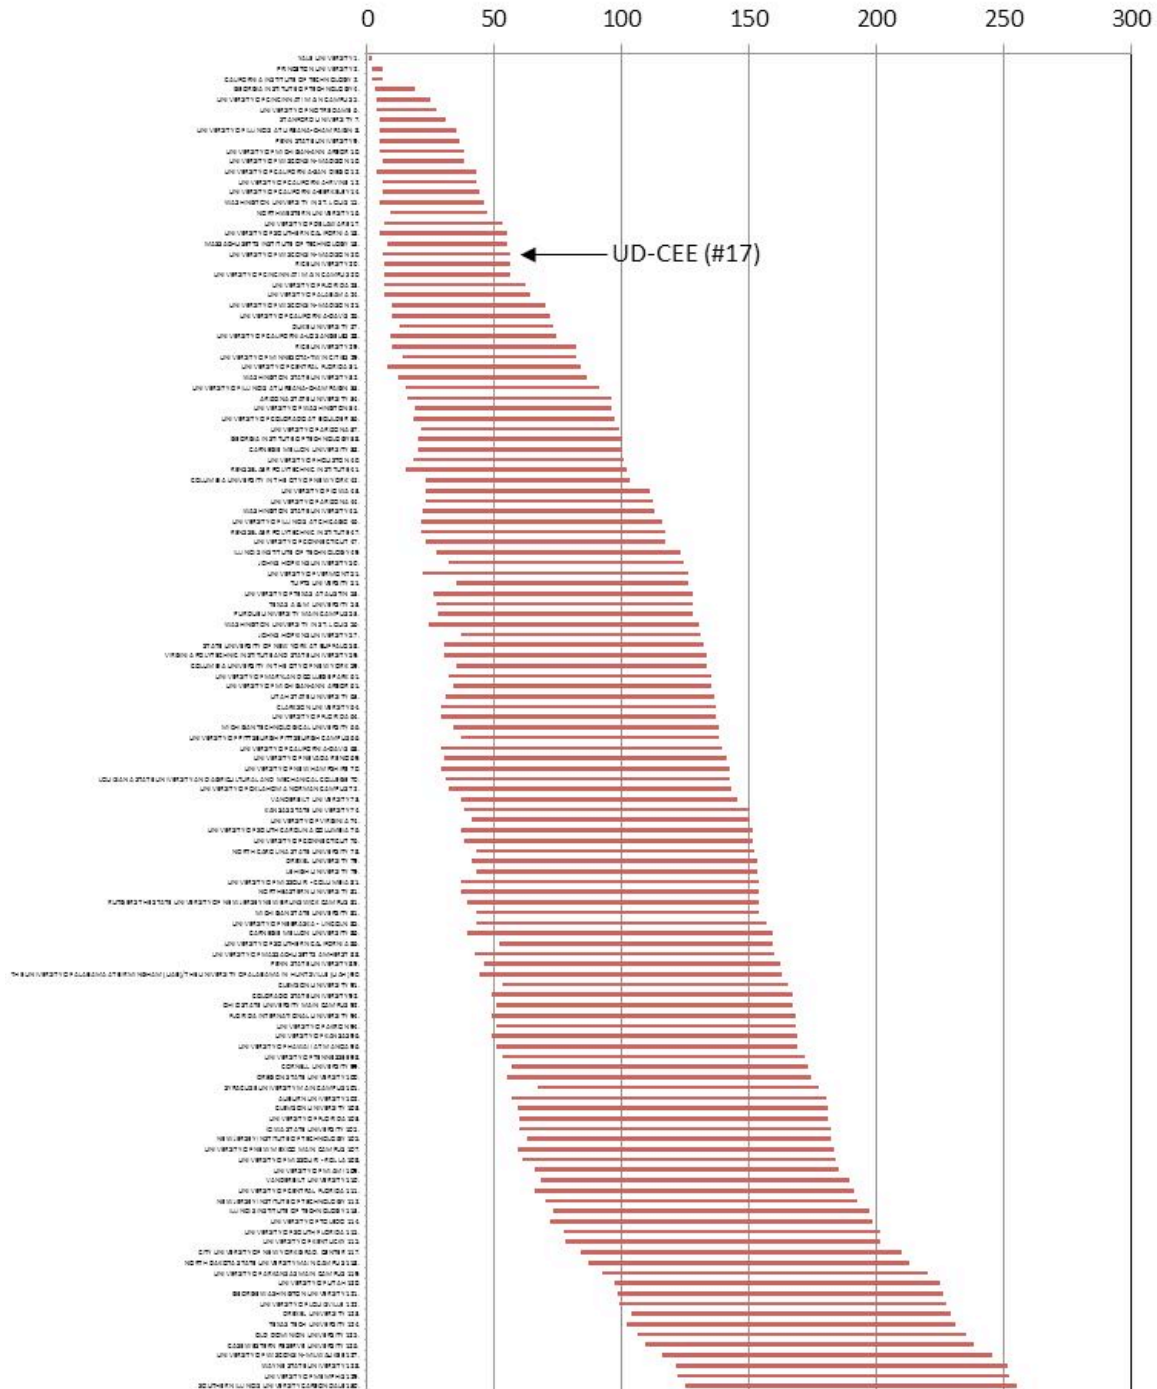

Figure 7. Research Activity

**Student Support and Outcomes Ranking: Civil and Environmental
Engineering Programs**
Bar shows the 5th percentile to 95th percentile range
Programs listed by average of the range

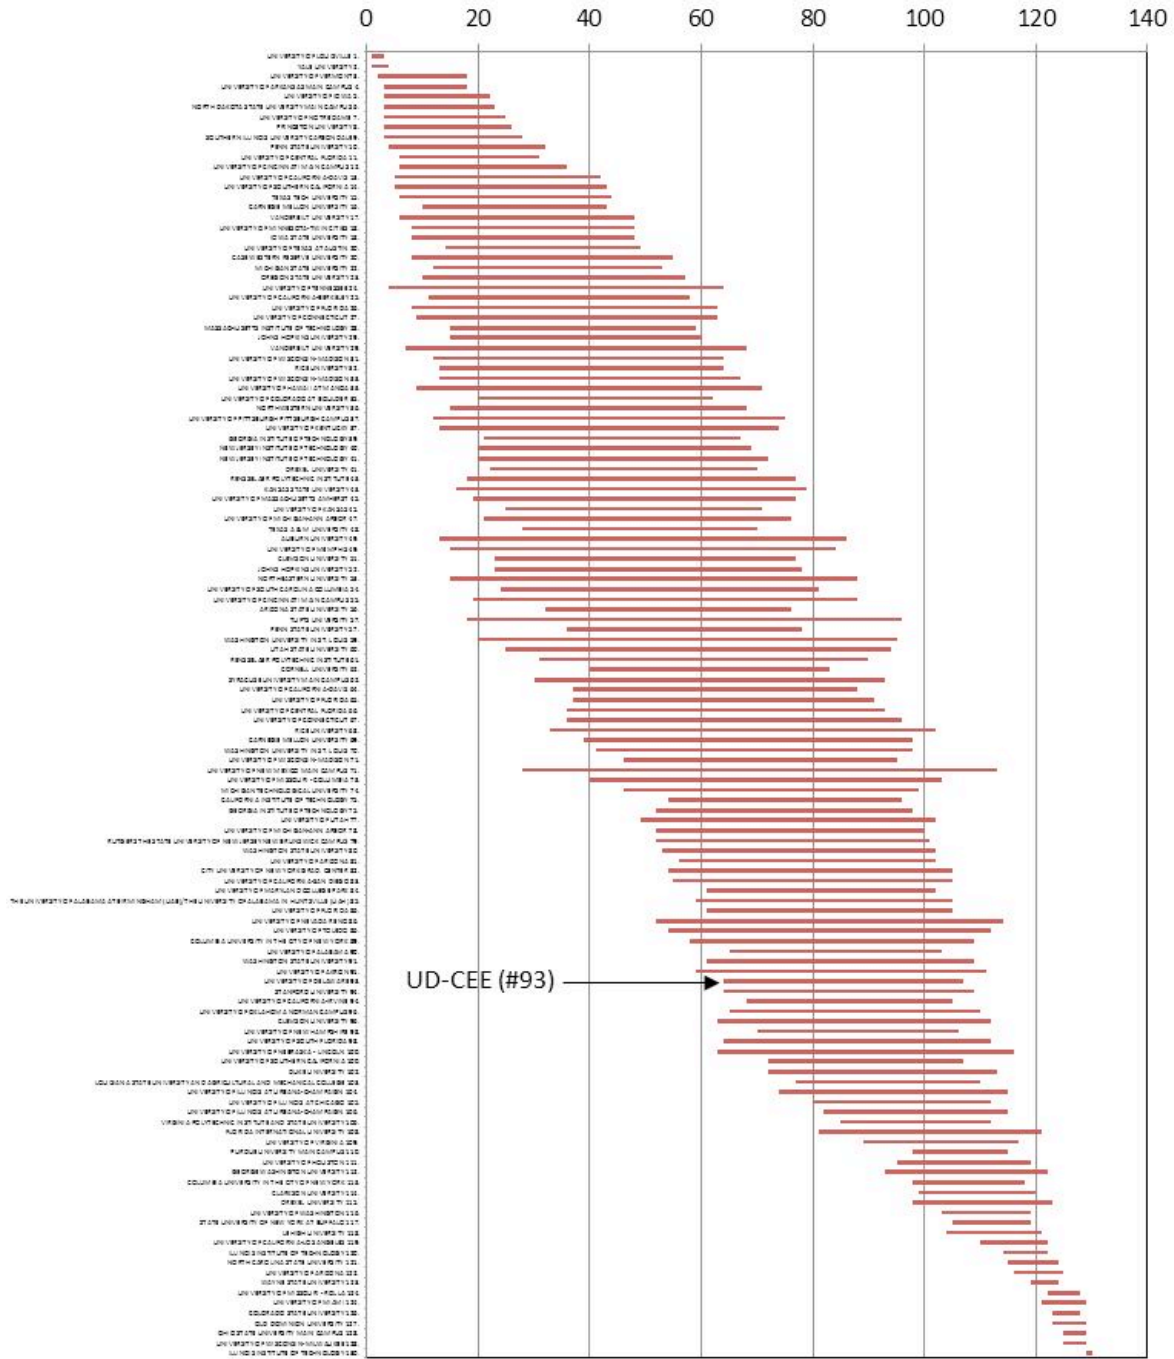

Figure 8. Student Support and Outcomes Ranking

**Diversity of Academic Environment Ranking: Civil and Environmental
Engineering Programs**
Bar shows the 5th percentile to 95th percentile range
Programs listed by average of the range

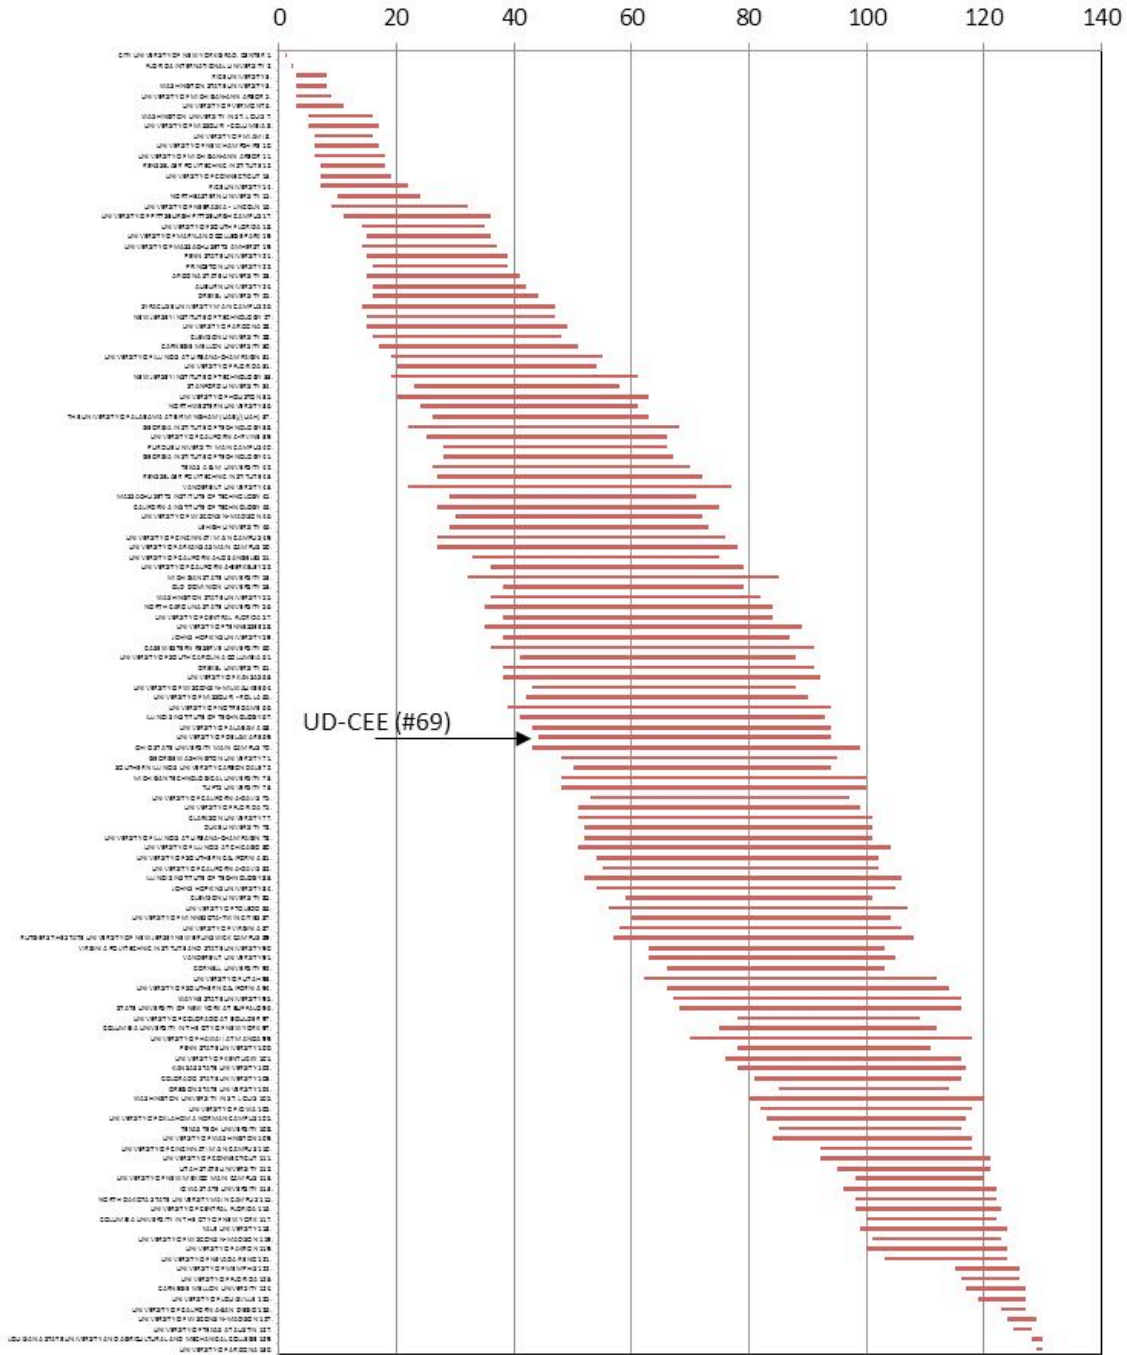

Figure 9. Diversity of Academic Environment Ranking

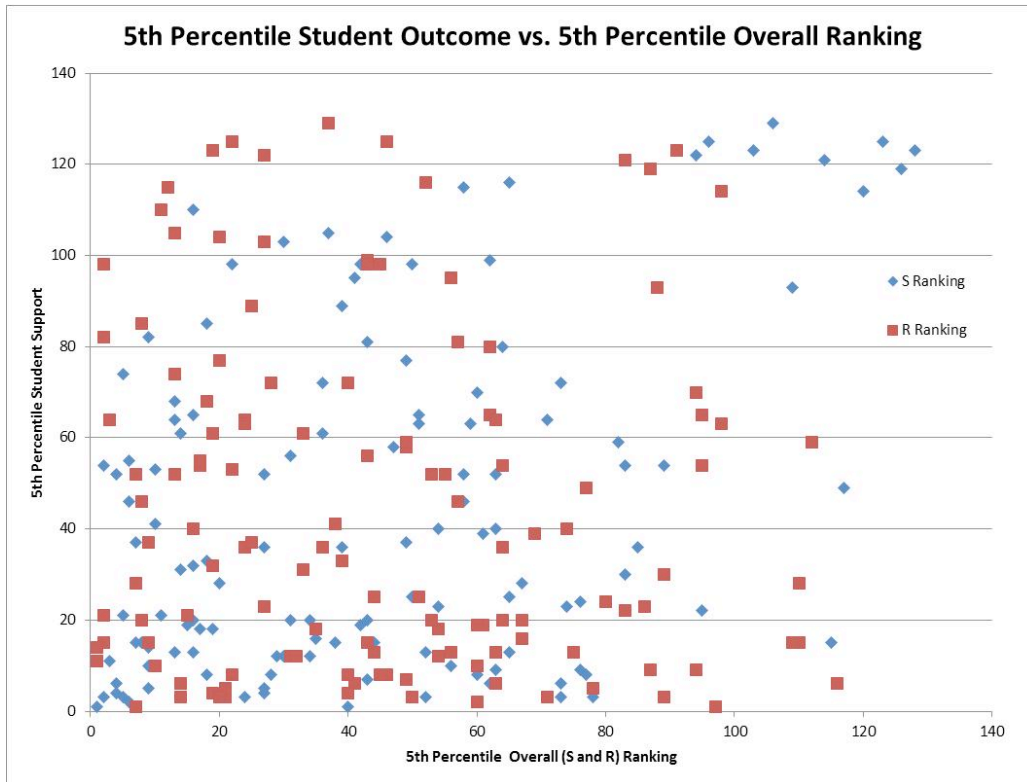

Figure 10. 5th Percentile Student Support and Outcomes versus 5th Percentile Overall (R and S) Ranking

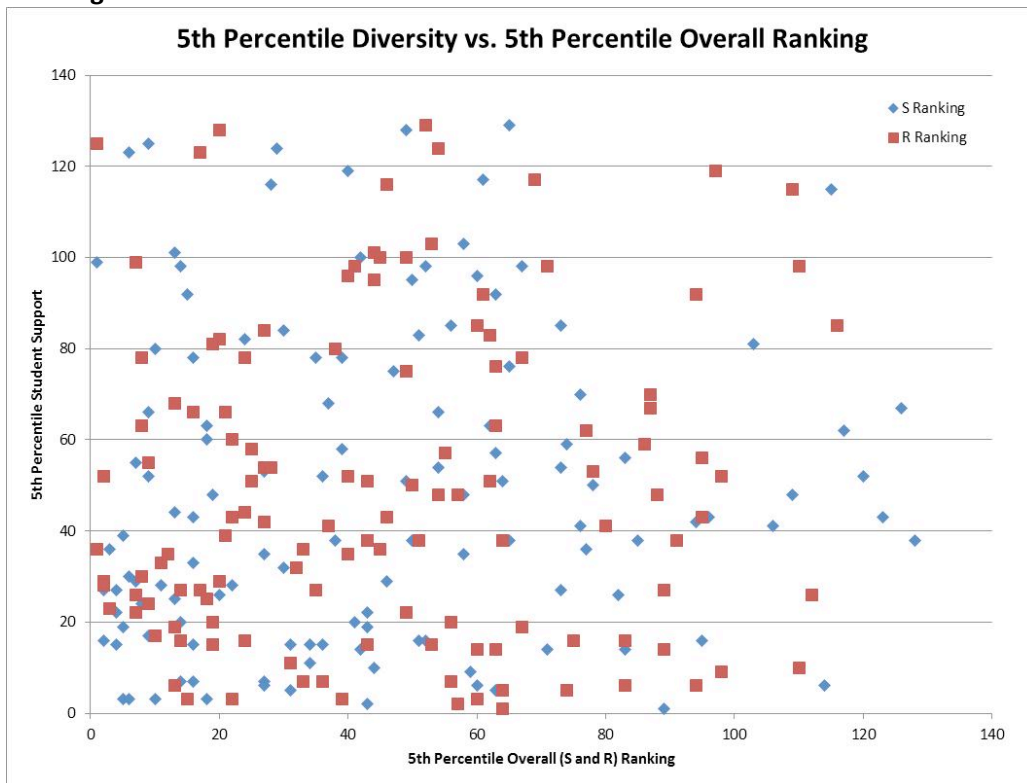

Figure 11. 5th Percentile Diversity versus 5th Percentile Overall (R and S) Ranking

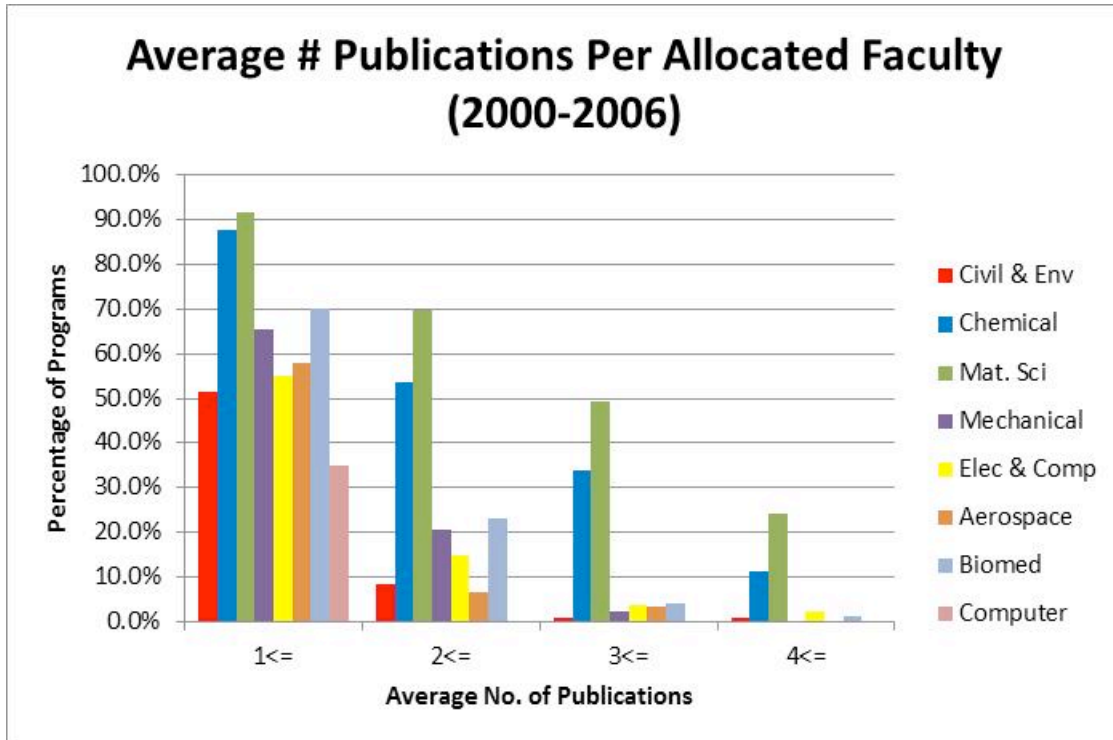

Figure 12. Average Number of Publications Per Faculty for Various Engineering Disciplines

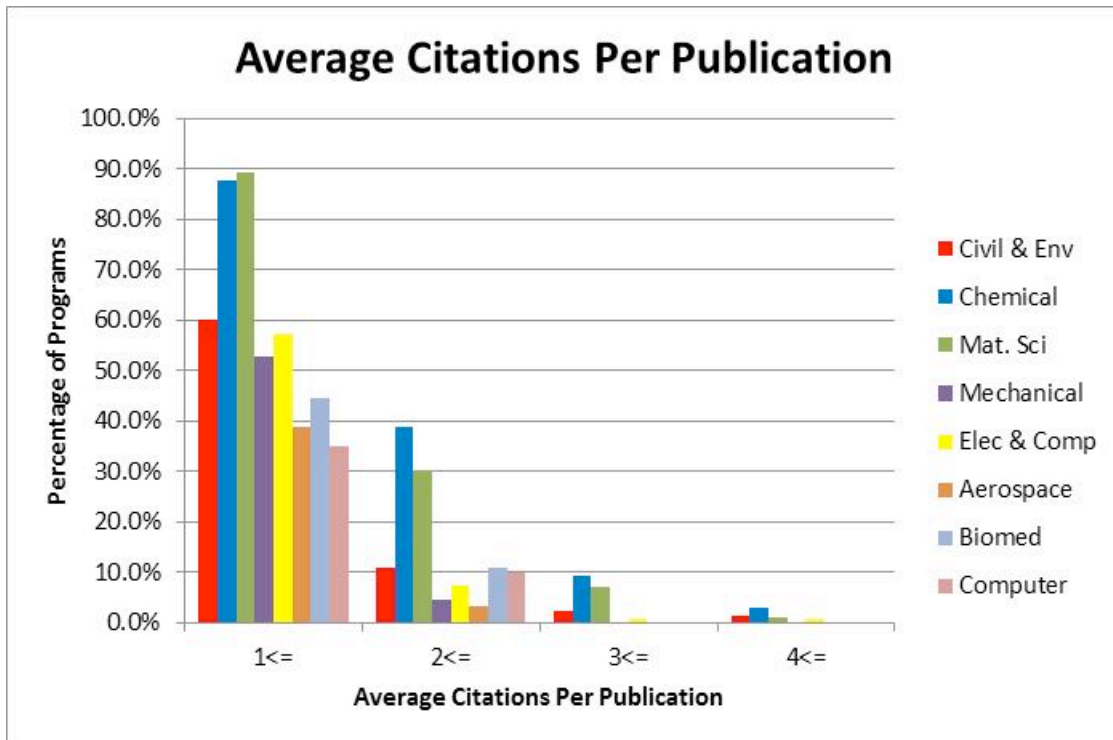

Figure 13. Average Citations Per Publication for Various Engineering Disciplines

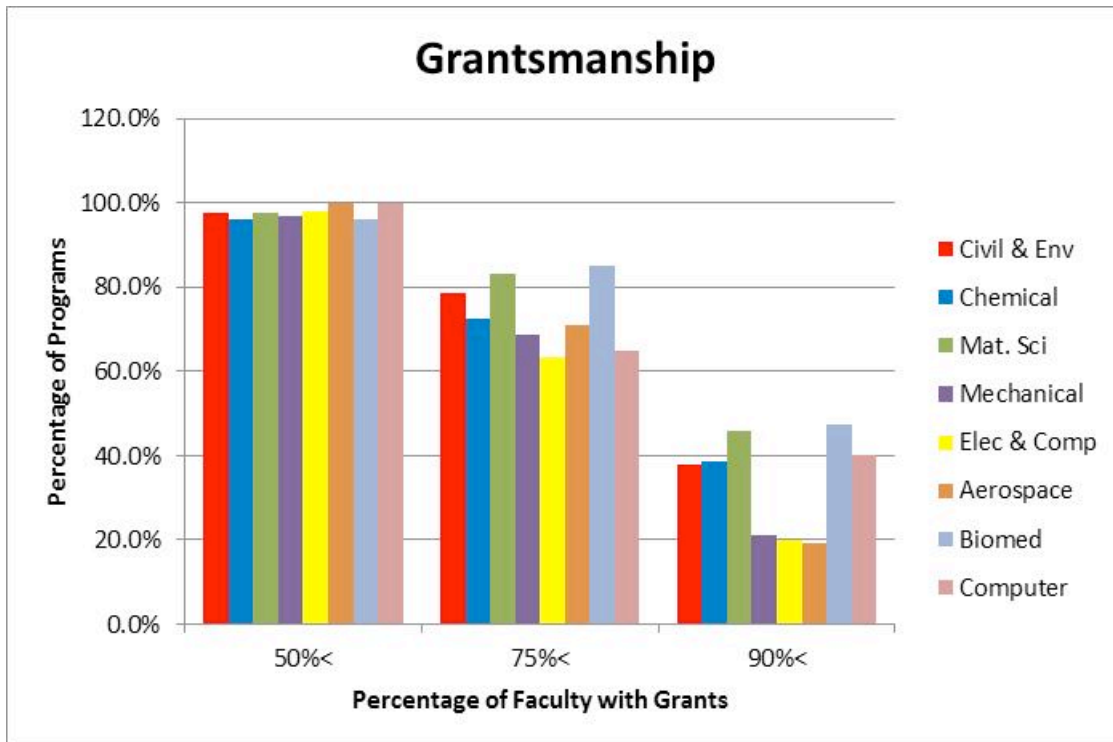

Figure 14. Percentage of Faculty With Grants for Various Engineering Disciplines

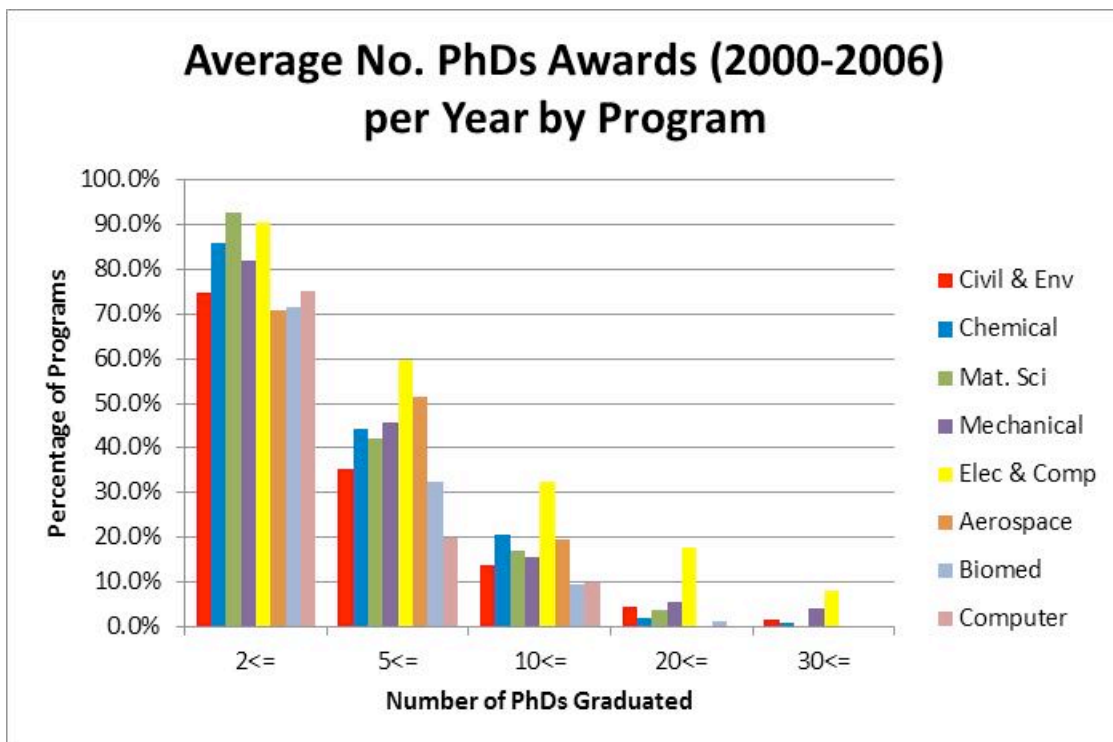

Figure 15. Average Number of PhDs Graduated for Various Engineering Disciplines
